17th June 2020

Dear Parent/Carer,

## **GOOGLE CLASSROOM**

We hope this letter finds you well. We are writing to inform you of our new way of keeping children and school communicating through learning during these unprecedented times.

We are very pleased to announce that we are now using Google Classroom as a free and secure learning network for the teachers and children at Bedford Road. It will provide a safe way for us to connect, share content, and provide more feedback on your child's learning at home.

Using Google Classroom will allow you and your child to have access to learning opportunities at any time through the Internet and is accessible online and through any mobile devices with Internet capabilities—including iPhone, iPad and Android devices.

Google Classroom is used as an educational tool and will be used for educational purposes. We would expect your child to use appropriate grammar instead of texting language and the site will be used to discuss school/learning-related content only. The email and comment functions are not available at this time.

Your Google Classroom login will be sent via Remind or the school texting service today, if you do not receive this or have any difficulties please email [googleclassroom@bedfordroad.school](mailto:googleclassroom@bedfordroad.school)

Instructional information is also provided with this letter to help you log in with your child and to find your way around. The staff have set up a welcome wellbeing questionnaire for your child to complete when you first log in. The learning plans will still be published on the school website, and over the coming weeks there will be more and varied opportunities for your child to access and submit their learning directly to their class teacher using Google Classroom.

With best wishes

Mrs Cheryl Williams  
Deputy Headteacher
