Term: Summer 2022 | Issue 19 | Date: 19th May 2022

HEADTEACHER'S NOTE

Dear Parents and Carers,
What lovely weather we have been having recently! It is great to see the children enjoying the warmer weather outdoors, but as the sunshine becomes stronger, please help them to remember their sun hats and ensure they have a good covering of sunscreen each day. This term we received a visit from Ofsted. Thank you for all of your support during these few days and for the feedback received in Ofsted's parent view. As you may be aware, I am unable to share any findings from the visit until we have received the final report which is due sometime soon after the May half term. I can share with you that your children were a credit to you during the inspection (which of course we always knew they would be). Also this term, our Year 6 pupils have taken their National Tests (SATs). These children demonstrated resilience, dedication and determination throughout the week of testing and we can be proud of them all.

As we move through this summer term, I look forward to seeing you at some of our school community events that we have planned. It's great that we can gradually start getting back to doing the things we consider to be 'normal'.

OPEN CLASSROOM

We are finally able to invite you all back into school for our successful Open Classroom sessions. The first event will be on Wednesday 25th May from 3:15pm (year 3 will be provided with further details). This will be an opportunity for you to view your child's classroom and work. Please be aware that we expect this to be a busy session. Open Classroom events will continue monthly, with the next session on Wednesday 29th June.

QUEEN'S JUBILEE

Jubilee Celebrations will take place on Friday 27th May. Weather permitting the children will be eating outside. enjoying games, learning about the life of Queen Elizabeth II and taking part in lots of art work.

Photos from the day will be available at a cost of 50p each. Specially designed tea towels will also be available to buy.

If you or any family member have any photographs of previous jubilee celebrations that could be shared with the school, we would love to see them! Please forward them to the school office email.

KEY DATES

Wednesday 25th May - Open Classroom

Friday 27th May - Queen's Jubilee Celebrations

Monday 30th May - Friday 3rd June - Half term holiday

w/c Monday 20th June - Healthy Schools Week

RESPECT FOR LOCAL RESIDENTS

Unfortunately, the school still continues to receive complaints from local residents regarding parking. Please try to use the car park underneath Sainsburys rather than the local streets. If you must park locally, please consider the residents drive ways. We also ask that while entering and exiting on Hillgrounds that you ensure your children do not enter the garage areas. This is very unsafe and a disturbance to the residents living there. Thank you!

GETTING TO KNOW YOU

Name: Mrs Kishma Felix

Role: Year 1 Class Teacher

Hobbies: My hobbies include cooking and eating food from around the world. I love being able to recreate a beautiful dish that I have experienced or seen. I also love going for long walks in new places, especially if they are near water. I enjoy reading and watching movies with my family.

Why I think Bedford Road is the best place to work:

I think Bedford Road is the best place to work because the children are so friendly and the staff show care for one another.

Most memorable moment in school:

My most memorable moment in the school is having a banquet with Willow class for our fabulous finish. We dined like royalty and knights.

PARENTAL SURVEY RESULTS

Thank you to everyone who took the time to complete the parental survey before Easter. Your responses about the school were very positive and also provided us with some further thoughts about areas we can improve on. Please find the link below to a summary of your responses and the next steps the school will take:
